St. Paul Phantom Outpoints Former Middleweight Champion in Fast, Hard-Hitting Contest-Both Fighters Show Classics of Ring Craft.

comers when he was in the heyday of his fame.

Gibbons went into the battle with the pent-up fury of a thing of iron, and in the first four rounds outgeneraled and outmastered McFarland. Packey came to himself in the fifth, and in a stirring rally in which he fought back with some of his old-time vigor, carried the contest home to the St. Paul phantom.

But it was only a flash, and Gibbons

But it was only a flash, and Gibbons

came back stronger than ever in the sixth and seventh. In the eighth, too, Gibbons had the better of it, but the pace he had set in those first furious rushes was beginning to tell, and Mr-Farland was ready for him in the nighth

ninth.

Packey flew into Gibbons with the energy of a buzz saw and whipped the wizard to the ropes, and again in the tenth he cracked his blows in a perfect rain on Gibbons, who, though fect rain on Gibbons, who, though slightly winded, was still fighting back

gamely.

These two rounds were McFarland's, but they were the only ones in the whole battle that were the old champion's. Gibbons had the better of it in seven of the ten, and one was a Houlton and Providence, and O'Neil of Houlton.

Mike Gibbons outpointed Packey McFarland before the greatest crowd that ever saw a glove contest in the history of the ring at Brighton Beach Saturday night. Gibbons, fast and hard-hitting, kept, McFarland on the defensive practically throughout the 10 wildly exciting rounds.

Both men showed themselves masters of ringcraft, but Gibbons demonstrated his superiority in no indecisive fashion. He landed his blows cleanly and with the force of a trip-hammer, beating a tattoo on McFarland that wore down the strength of the former middleweight champion.

This was McFarland's first match in nearly two years, and he showed the effects of his long lay-off, and did not move with the speed of Gibbons, nor did he smash in his blows with the power and stamina that marked the McGarland who outfought all comers when he was in the heyday of his fame.

Gibbons went into the battle with the pont-up fury of a thing of iron,

MOOSUP WINS ONE BUT LOSES THE OTHER. After 4 to 0 Defeat Saturday, Southbridge Turned Tables Sunday.

(Special to The Bulletin.)

Moosup, Sept. 12.—In spite of a 4 to
0 shutout which Moosup administered
to the American Optic Co. of Southbridge Saturday, on Sunday Southbridge took the field with buoyant
spirits and optimistic smiles. Both
teams were in A. No. 1 condition and,
being so everify matched, gave promise
of an exciting battle.

Southbridge had in their lineup on
Sunday such men as Mike Donlin, formerly of the New York Giants, J.

SATURDAY'S MARKET. Foreign Situation Had an Adverse

Influence.

New York, Sept. 11 .- The foreign situation was again an adverse in-fluence during today's two hour session. Stocks were heavy at the opening, and except for a few fitful and sporadic movements this tendency prevailed throughout. Overnight news regarding this country's relations with the Teutonic allies involving the pos-sible rejection of Germany's Arabic de-

sible rejection of Germany's Arabic defence, made for increased concern and reduced trading to professional and slender proportions.

Little attention was paid to the war shares, which continued their gyrations, though in a downward direction. Bethlehem Steel preferred fell 8 points to 142, the common 8 to 312, General Motors 7 1-2 to 255 1-2, and Willys-Overland 5 1-2 to 185. Others of that group were lower by 1 to 2 1-2 points.

U. S. Steel was the target for bearish attacks, selling off a point to 73 3-4 its lowest quotation of the week. Some of the more prominent rallways, including Reading and New York Central averaged declines of a point, but trading in that quarter of the list was almost negligible. Mixed recoveries almost negligible. Mixed recoveries and declines attend the irregular close. Total sales amounted to 230,000 shares. The mercantile agencies reported a further improvement in general bus-iness, and bank clearings from all sec-tions point in this same direction. Banks and trust companies of the local clearing house association reported an actual cash gain of over \$20,000,000 and a reserve increase of slightly more than \$15,000,000 bringing

the excess reserves up to the unpre-cedented total of \$224,000,000. Dealings in bonds today were nominal with an irregular trend. Few of-ferings were made. Total sales (par value) aggregate \$1,285,000. U. S. 3s advanced 3-4 per cent, and the coupon 4s and Panama 3s 1-2 per cent. on call during the week.
